

# Privacy Policy

“PlayBox app” collects e-mail addresses of people who send us e-mail. We also collect information on what pages visitors access and information provided to us by via forms submitted by visitors on our website [www.vashouse.com](http://www.vashouse.com) . Such information may contain personal data about you including your name, your email, etc. We are not allowed to disclose such personal information without your written permission. However, certain information collected from you and about you is used within the context of providing the Service. The information we collect is not shared with or sold to others except under the certain circumstances and which your use of the Service is deemed to provide us a valid consent to disclose the following: in order to investigate, prevent, or take action regarding illegal activities, suspected fraud, situations involving potential threats to the physical safety of any person, violations of our terms of service, or as otherwise required by law.

“PlayBox app” does not rent, sell, or share personal information about you with other companies except to provide products or services you’ve requested or when we have your permission.

We will transfer information about you if “PlayBox app” is acquired by or merged with another company. In this event, we will notify you by email or by putting a prominent notice on the “PlayBox app” web site before information about you is transferred and becomes subject to a different privacy policy.

## **What we do with your information**

When you register for “PlayBox app”, we ask for your name and e-mail address. “PlayBox app” uses the information we collect for the following purposes: service provisioning, identification and authentication, customer contact and research.

## **Security**

The security of your personal information is important to us. When you enter sensitive information, we encrypt that information using secure socket layer technology (SSL). We follow generally accepted industry standards to protect the personal information submitted to us, both during transmission and once we receive it. No method of transmission over the Internet, or method of electronic storage, is 100% secure. We strive to use commercially acceptable means to protect your personal information, we cannot guarantee its absolute security.

## **Disclosure**

“PlayBox app” may disclose personally identifiable information under special circumstances, such as to comply with court orders requiring us to do so or when your actions violate the Terms of Service.

## **Cookies**

A cookie is a small amount of data, which may include an anonymous unique identifier. Cookies are sent to your browser from a web site's computers and stored on your computer's hard drive. "PlayBox app" uses cookies to record current session information. Our cookies typically exist perpetually and we provide the ability to remove your session cookie with a sign out link.

## **Analytics Data**

We use [Google Analytics](#) to help us understand how "PlayBox app" users are interacting with the Service. We use this data to determine which pages are most popular, which features are working (or not working) for users, and how fast (or slow) the Site is across different locations and languages. All of the data that we send to Google is anonymized. We do not send any information that could be used to personally identify you or other users on the Site.

Although the data that we send cannot be used to personally identify you or other users, we still respect the [Do Not Track](#) (DNT) settings in users' browsers.

It appears that DNT is not enabled in your browser.

## **Changes to the Privacy Policy**

We reserve the right to modify this privacy statement at any time, so please review it frequently. If we make material changes to this policy, we will notify you here or by means of a notice on our homepage so that you are aware of what information we collect, how we use it, and under what circumstances, if any, we disclose it.
